ARE EVIDENCE That the blood is wrong, and that nature is endeavwrong, and that nature is endeav-oring to throw off the impurities. Nothing is so beneficial in assisting nature as Swift's Specific (S. S. S.) It is a simple vegetable compound. Is harmless to the most delicate child, yet it forces the poison to the surface and eliminates it from the blood.

I contracted a severe case of blood poison that unfitted me for business for four years. A few bottles of Swift's Specific (S. S. S) cured me.
